

## PRODUCT DATA SHEET

### GIANT BUZZ BUGS

Aqueous Based Biodegradable Windscreen & Wiper Cleaner

#### DESCRIPTION

GIANT BUZZ BUGS is formulated as a heavy duty non-streak glass and wiper blade cleaner to effectively remove thick films of grime, bug kills, dust, finger prints and rain streaks from glass surfaces subjected to harsh weather conditions. It leaves a bright and smooth streak-free surface after cleaning.

GIANT BUZZ BUGS is an economical, multi-purpose product that can be diluted 1:5 for light applications. It is odorless and non-fuming, safe and user-friendly. It is also environmentally friendly and easily biodegradable.

#### PROPERTIES

Physical State	Liquid
Color	Green
Solubility in Water	Soluble

#### BENEFITS

- Removes grime, bug kills, dust, finger prints and rain streaks
- Concentrated and completely soluble in water
- Leaves a spot/streak-free bright surface finish
- Safe to use
- Non-fuming, odorless
- No harsh chemical
- Environmentally friendly and biodegradable

#### TYPICAL APPLICATIONS

GIANT BUZZ BUGS can be diluted and used for cleaning any glass surface in any automotive, industrial, commercial or household application.
